In Memory of Elliott Stern

Even as he battled cancer, Elliott Stern, a stalwart Bruins of the South Bay supporter, attended football and basketball watch parties. Elliott and his wife, Mary Anne, were among earliest donors to the Bruins of the South Bay Academic Award fund, otherwise referred to as the scholarship fund. Elliott, an affable, low-key Bruin carried the Buck-it Bruin at athletics watch parties and collected hundreds of dollars for the Academic Awards fund. Elliott will be missed, but not forgotten. The Buck-it Bruin will be renamed The Elliott in his honor.

Upcoming BSB trips to Jackie Robinson Stadium are planned to watch the battling Bruins take on the Trojans, Titans, Dirtbags and Ducks. Currently 14th ranked, our Bruins once again look to fight their way into the national playoffs. They just swept Utah on their field. The Fullerton Titans and CSU Long Beach Dirtbags are LA region rivals, while the Trojans and Ducks will be must-wins for the Bruins to get into the top echelon of the Pac12. If you would like to sit with Bruins of the South Bay, let us know.

Gymnastics

Watch parties were held for our excellent gymnastics team and BSB Gymnastics Boosters attended meets. Fans were rewarded with superb performances and the Pac12 championship by our #3 ranked Bruins. Kyla Ross, who spoke at the BSB Summerfest luncheon, gained high praise for her outstanding performance, which clinched the championship for UCLA in its high tension competition with Utah.

Depending on outcomes, look for a watch party announcement for Saturday's National Finals gymnastics competition.

Basketball

As the football season closed, basketball watch parties took hold and went on through the NCAA play-in game. Parties were held at The Tavern on Main, El Segundo and Torrance Tavern in the heart of Torrance. During the Pac12 season a BSB contingent took their support to Pauley Pavilion for the UCLA-Stanford game, a longtime tradition.

Bruins of the South Bay look forward to your company.
